Service To The Country Is Our Ultimate Duty: Kailash Chandra

We should work with the spirit of service, not selfishness. The Karyakarta should always be motivated to help the other Karyakarta: These were the views expressed by Kailash Chandra Ji, National Convenor of the Rural Area Education wing. He was speaking in the implementation meeting of "Rural Area Education" of Vidya Bharati Akhil Bharatiya Shiksha Sansthan organized on 12th, 13th and 14th November 2021, at Nandlal Geeta Vidya Mandir, Tepla (Ambala). He said that service to the country is our ultimate duty and others should be inspired for it. Important points explained by Sri Shashikant Phadke, National Co-convenor in the 3-day meeting were:

Five basic subjects:

- Emphasis on implementation of minimum wage in rural education,
- 6 dimensions of rural education
- Implementation of project plan,
- Along with this, the prescribed four points of the National Education Policy 2020 and
- Acharya Principal Training Subject.

Sri Domeswar ji Sahu: In-charge of National Rural Education said that whatever points which have been decided in the central meeting should reach at all school levels, and let them be implemented. The planning should be done in a well organized manner and it should be seen that the implementation is done properly. It should also be ensured that its publicity in the society should also be done properly.

It was emphasized that the three points mentioned by our mother

organization for all must be conveyed in the families - environment, water and electricity conservation. "Kutumb Prabodhan" is a form of Vidya Bharati Akhil Bharatiya Shiksha Sansthan; in this he has emphasized to do five things. Whenever a Karyakarta goes to a family it should be urged that they all eat together, pray together, use their mother tongue and must wear traditional costumes and once in a year at least go on a group tour with family.

Amrit Mahotsav is going on. Therefore, information about all the important events from 1947 till now should be known to us, to karyakartas and the people associated with us.

Amrit Mahaotsav of Independence Vidisha - Vidya Bharati Madhya Bharat

“Vidya Bharati in Dalu In Assam”

***From A Humble School To One Of The Brightest Ray Of Education
- Shishu Niketan, Dalu In Assam***

Nestled amidst lush greenery and peaceful atmosphere is Vidya Bharati's school Saraswati Shishu Niketan, Dalu in Assam. Where good schools with all facilities are a rare find, Shishu Niketan is thriving with a total student strength of 689.

Established in February 1997, the school has grown in leaps and bounds within a short period of time. Shri Meghanjan Chakraborty, alumni of the school, ex teacher and presently holding a position in Vidya Bharati, reminisced how the school had a very humble beginning, where there was no school building when the school first started. The classes took place in a nearby governmental school building with only 17 students. Slowly

nearby land was acquired and a temporary school building made of bamboo was made. Recently in 2019 the present 3 story building construction was completed.

Presently the school has 27 teaching staff and supported further by non teaching staff. The school stands on 6 acres of land and is enriched with all necessary teaching amenities such as library, computer labs, science labs and a playground.

Keeping up with values of all Vidya Bharati schools, a lot of importance is given to extracurricular activities alongside academics. Students from the school participate in national and state level sporting

competitions, winning several awards for the school.

Important national and state level festivals and nationalistic dates are celebrated in the school with much enthusiasm with the view of developing patriotic feelings among the young minds of the students.

The students are encouraged to participate in social work from a young age so that they grow up to be socially responsible citizens of our motherland. The older students often donate their books to those in need from nearby villages.

During the recent Covid 19 pandemic lockdown, the school discharged their social responsibility, as the school authorities arranged to deliver essential supplies and food to the local community.

While talking about the school, Sri Meghanjan Chakraborty ji stated that though the school cannot be compared to the big schools located in urban areas of India in regards to overall look and amenities, the most valuable gift that they have received is the love & respect of the local population, for bringing the light of education to a place which was almost inaccessible earlier.

Manashi Baruah - A Vidya Bharati Alumni Changing The Face Of Agriculture In Assam

Agriculture is the primary source of livelihood for about 58% of India's population. The Economic Survey of India 2020-21 report stated that in FY20, the total food grain production in the country was recorded at 296.65 million tones. The agriculture sector in India is expected to generate better momentum in the next few years due to increased investment in agricultural infrastructure and scientific support from the Government as well as private players. In recent days, due to the pandemic, all the sectors thrived but agriculture saved the country's economy.

Manashi Baruah, an alumnus of Shankardev Shishu Niketan Jalah, is proudly supporting the farmers through her skills and education. An Agriculture Officer from Chirang district of Assam, Manasi finds innovative methods to overcome various problems faced by the farmers of the district.

Manashi completed her class 10th from the Vidya Bharati School, where she secured 6th rank in the Asaam state board examination. She then joined Anundoram Borooh Academy,

Pathsala to complete her Higher Secondary course and again secured astounding scores. Belonging to a family, where her father, in spite of being a teacher, is indulged in farming, she got the inspiration to join a course in Agriculture for further studies.

“No race can prosper until it learns there is as much dignity in tilling a field as in writing a poem.”

This is something which inspired Manashi, as much her father and her school did to shape her future. She enrolled herself in Assam Agricultural University, Jorhat to complete her B.Sc. in Agriculture Science. Further she studied Masters in Agriculture

from the Central Agricultural University, Barapani Shillong. She currently works as an Agriculture officer in Assam. Her roles and responsibilities include ensuring that all the agricultural practices & products are in lieu of the state & local regulations, checking, investigating, sampling and testing every crop

and products, to determine whether they are complying with the state & local rules and regulations. She is further required to meet the farmers and solve their problems.

“Who still think that agriculture is done with the help of plough and ox, they need to wake up. The field has applied many innovative techniques of science and technology to improve crop production, increase the amount of nutrition in fruits and vegetables, etc. Thus, the science of agriculture is vast and needs more young and creative minds to develop this field further and meet the demands”, mentions Manashi.

75 वर्षों से संस्कारवान शिक्षा दे रहा विद्या भारती हरियाणा

- संजय चौधरी

(लेखक विद्या भारती हरियाणा के प्रचार प्रमुख हैं।)

हम सब इस वर्ष आजादी का अमृत महोत्सव मना रहे हैं। वहीं विद्या भारती हरियाणा इसके साथ अपनी स्थापना के 75 वर्ष पूरा होने पर हरियाणा भर में हीरक जयंती मना रहा है। 19 नवम्बर 1946 को परमपूजनीय माधवराव सदाशिवराव गोवलकर श्रीगुरुजी ने जिस पीढ़े को रोपित किया था आज उसने एक विराट वृक्ष का रूप ले लिया है। कुरुक्षेत्र में दो कक्षाओं से आरंभ हुए श्रीमद्भगवत गीता वरिष्ठ माध्यमिक विद्यालय के बाद शिक्षा पुंज की इस माला में मोती जुड़ते चले गए और आज विभिन्न स्तर के 75 विद्यालय हरियाणा के नगरीय व ग्रामीण आंचल में शिक्षा का प्रकाश फैला रहे हैं। इन विद्यालयों के 26970 विद्यार्थियों को 1217 आचार्य हिंदुत्व एवं राष्ट्रप्रेम से ओतप्रोत एवं मूल्य आधारित संस्कारवान शिक्षा देने का काम कर रहे हैं। हरियाणा के उत्तर के मोरनी (पंचकूला) से लेकर दक्षिण के पिंगवा, नूँह तथा पूर्व के ललहाड़ी (यमुनानगर) से पश्चिम के डबवाली, गंग (सिरसा) तक विद्या भारती शिक्षा की अलख जगाने के लिए दिन रात प्रयास कर रही है।

संस्कार केंद्र

विश्व में विद्या भारती ही एक ऐसा शिक्षा संगठन है जो अपने विद्यालयों के विद्यार्थियों को शिक्षा देने के साथ-साथ सामाजिक दायित्व का भी निर्वाहन कर रहा है। इस संगठन के विद्यालय हरियाणा में 100 संस्कार केंद्र चला रहे हैं जिसमें विभिन्न बस्तियों के अभावग्रस्त परिवारों के बच्चे सायंकाल में निःशुल्क शिक्षा ले रहे हैं। इन केंद्रों में बिना भेदभाव के भारतीय संस्कृति व संस्कारों की शिक्षा दी जाती है ताकि भारत का हर बच्चा अपने संसाधनों की कमी के बाद भी अपना भविष्य उज्ज्वल बना सके।

महार देश-महारी माटी

सामाजिक दायित्व

जब भी देश में कोई संकट आता है तो विद्या भारती के कार्यकर्ता दिन-रात जरूरतमंद लोगों की सेवा में लग जाते हैं। इसका ताजा उदाहरण कोरोना काल में दिखा जब इस महामारी के कारण सभी विद्यालय बंद थे। उनके अध्यापक, संचालक बीमारी से बचने के लिए घरों में बंद थे वहीं विद्या भारती के कार्यकर्ता लोगों को आवश्यकताओं की पूर्ति में लगे थे। अध्यापक जहाँ घरों में स्वयं लोगों के लिए मास्क बना रहे थे तो पूर्व छात्र जरूरतमंद लोगों को भोजन, दवाई, राशन आदि उपलब्ध करा रहे थे। अनेक विद्यालयों ने श्रमिकों को आसरा दिया व उनके लिए भोजन की व्यवस्था की, प्रधानमंत्री एवं मुख्यमंत्री राहत कोष में सहयोग किया। कोरोना-2 के समय गीता वरिष्ठ माध्यमिक विद्यालय कुरुक्षेत्र के पूर्व छात्रों द्वारा स्थापित आइसोलेशन केंद्र समाज के लिए उदाहरण बना। पूर्व छात्रों ने कोरोना से पीड़ित रोगियों को स्वयं उनके घर जाकर तीनों समय का भोजन व दवाइयाँ उपलब्ध करवाई। यही संस्कार उनको उनके अध्यापकों द्वारा दिए गए थे।

75 वर्षों में विद्या भारती के विद्यार्थियों ने विदेशों तक लहराया अपना परचम

पूर्व छात्र शिक्षा संस्थान की पूंजी होती है। उसके पूर्व छात्र अपने व्यवसायिक व सामाजिक जीवन में कितना सफल हुए उससे उस संस्थान की सफलता आंकी जाती है। इन 75 वर्षों में विद्या भारती के अनेक पूर्व छात्रों ने देश-विदेश में अपनी सफलता का परचम लहराया है। अनेक पूर्व छात्र प्रशासनिक सेवा, पुलिस सेवा व भारतीय सेना के उच्च पदों तक पहुंचे हैं। यहां के पूर्व छात्रों ने खेल, इंजीनियरिंग, चिकित्सा के क्षेत्र में अपना व अपने परिवार का नाम रोशन किया है। इन पूर्व छात्रों ने विद्यालय से मिले संस्कारों की नहीं छोड़ी और ये उनके सामाजिक व व्यक्तिगत जीवन में दिखाई भी देते हैं।
